

Job description

Job Title: Lead HVAC Residential Installer

Company: Meeks Heating and Air

Location: Locust Grove (South Metro Atlanta)

Job Type: Full-Time

Salary: Competitive Pay Based on Experience + Incentives

About Us:

Meeks Heating and Air is a trusted name in residential HVAC services, providing top-quality heating and cooling solutions with a strong focus on customer satisfaction and professional excellence. We are seeking a highly skilled and motivated **Lead HVAC Residential Installer** to join our team and take charge of residential HVAC installation projects.

Responsibilities

- Lead and manage residential HVAC installation projects from start to finish.
- Install heating, ventilation, and air conditioning systems with precision and efficiency.
- Ensure compliance with all safety regulations and company standards.
- Supervise and train installation team members, ensuring high-quality workmanship.
- Provide excellent customer service, addressing homeowner concerns professionally.
- Troubleshoot and resolve installation issues on-site.
- Maintain accurate records of work performed, materials used, and time spent on jobs.
- Collaborate with other team members and departments to ensure smooth project execution.

Qualifications

- Minimum of **5 years of experience** in residential HVAC installation.
- EPA Certification required; NATE Certification preferred.
- Strong knowledge of HVAC systems, installation procedures, and local codes.
- Ability to read and interpret blueprints, schematics, and technical manuals.
- Leadership skills with experience in managing or mentoring a team.
- Strong troubleshooting and problem-solving abilities.
- Excellent communication and customer service skills.

- Valid driver's license with a clean driving record.
- Must be able to lift heavy equipment and work in various weather conditions.

Benefits

- Competitive pay with performance-based incentives.
- Health, dental, and vision insurance options.
- Paid time off and holidays.
- Ongoing training and career development opportunities.
- A supportive team environment with growth potential.

How to Apply

If you are a skilled HVAC professional looking to take your career to the next level, we want to hear from you! Apply today by submitting your resume and a brief cover letter to hvacsupport@meeksair.com or call [770-227-5753](tel:770-227-5753) for more information.

Join Meeks Heating and Air and be a part of a team that values expertise, quality, and customer satisfaction!
